

Governor Signs Wicks-Wadlin Welfare Bill, Second Measure Signed This Year

Talmadge Takes Over, Refuses Arnall Entry in Georgia Snarl

Laidlaw Unable To Estimate City Teacher Benefit

Education Board Studies Text of Bills Dewey Wants to Increase School Pay

To what extent local teachers would benefit by the proposed legislation which Governor Dewey has urged the legislature to pass, is not known by the Kingston school authorities until a study is made of the bills.

Superintendent of Schools Laidlaw said Wednesday that there were certain provisions which were "not entirely clear" to him and until he had made a further study of the language of the bills he was not prepared to say just what the amount of the benefits under the legislation might be.

Enactment of bills appropriating \$32,000,000 to cover temporary pay raises of "at least \$500 yearly for all of the state's 77,000 public school teachers," was urged by Governor Dewey. The twin bills also provide for an appropriation of sufficient funds to bring minimum pay from an upstate low of \$1,200 to \$2,000.

Radice Told Cops He Was Schryver

Held in Bail on Charges of Forgery, Theft; FBI Says He Deserted

New York, Jan. 16 (AP)—A young man who police said had erroneously identified himself as Fred Schryver of Kingston, N. Y., was identified in Magistrate's Court today as Gerard Allen Radice of New York and ordered held in \$1,500 bail on charges of forgery and grand larceny.

Detective William Holzner identified him as Radice and Magistrate Francis X. Gleason ordered him held for grand jury action. Assistant District Attorney Paul F. Reilly told the magistrate that the Federal Bureau of Investigation wanted Radice on a charge of desertion from the marines.

Earlier, Radice, who was arrested for allegedly passing a worthless check for \$2.25 in payment for a speed camera, told police he had served in the marines and had been unable to find work in New York.

Big Six Holds Meeting

Washington, Jan. 16 (AP)—The G.O.P.-dominated congressional Big Six met with President Truman today in what Senator Vandenberg (R-Mich.) described as an "open forum." Mr. Truman also expressed pleasure with the results, sending word to reporters through Press Secretary Charles G. Ross that it was "a very satisfactory meeting." While Vandenberg said there was no definite agreement to keep any issues out of partisan politics, he told newsmen the initial discussion was confined to "what may be called unpartisan issues."

Wagner Feels Better

Washington, Jan. 16 (AP)—Senator Wagner (D-N.Y.), currently confined to his Shoreham Hotel apartment because of what aides described as a minor indisposition, is now "sitting up and feeling fine," his office said today. Without disclosing the exact nature of Wagner's illness, his office said he is now "almost completely recovered and, to use the senator's own expression, 'feeling to go.'" Wagner, who experienced a lengthy illness several months ago, will be 70 in June. He is now serving his fourth term.

Tinker Goes on Tab

Orlando, Fla., Jan. 16 (AP)—Joe Tinker, one corner of baseball's famous double play trio, went on the operating table today for removal of his left leg to halt the spread of a gangrenous condition which began last October.

Secretary Odum Says 'Governor' Can't Get in, Because 'Governor' Doesn't Want Him, but Arnall Forces His Way

Atlanta, Jan. 16 (AP)—Ellis Arnall attempted to enter the Governor's executive offices today but was stopped by the secretary of Herman Talmadge who has claimed the office.

Young Talmadge, elected by the legislature, took physical possession of the capitol suite earlier with a statement "as Governor of Georgia I have taken complete charge of the executive offices at the state capitol."

Arnall's entry to the offices was blocked by Ben Odum, secretary to Talmadge.

Arnall set up temporary offices in the rotunda of State Capital building and in the downtown Chandler building.

As Arnall arrived in the ante-room which opens into his executive office where he was met by a side of Talmadge who told him to have a seat when he said he desired to see Talmadge.

From within the room guards stationed at the door refused to open and called repeatedly for "colonel." Finally the door was opened and Arnall forced his way in.

Arnall strode across the floor to a door leading into the executive's private office where he was met by an aide of Talmadge who told him to have a seat when he said he desired to see Talmadge.

In a blunt question directed repeatedly at Ben Odum, Arnall said dramatically: "Are you denying me the right to enter my office?"

Odum insisted each time that he was not denying Arnall entrance to "your office," but that he would not permit him "to enter the office of Mr. Talmadge who is now the legal governor of the state of Georgia."

After continued futile demands to gain entrance, Arnall turned to the room which was crowded with photographers, newsmen and Talmadge supporters and said: "Gentlemen of the press, it is quite obvious that I am denied access to my office. It is quite obvious that Mr. Talmadge is afraid to see me face to face."

Last night a perfect paragon movement was executed which resulted in the removal of the locks from these doors by a military force from the Talmadge organization. . . . A suit has been instituted in the courts of Georgia to sustain my position.

"I hereby place on order all department heads . . . and notify them that henceforth they act as my personal representatives under direction from Ellis Arnall."

Cites Ruling

Arnall, continuing, said the attorney general had ruled that he should remain in office until his successor is duly qualified and ready to assume the office. Arnall repeatedly referred to Talmadge as "that pretender," and added that "I propose to continue to act as governor of Georgia until Lieutenant Governor Odum is sworn in."

Delay on Disarmament

New York, Jan. 16 (AP)—A three-weeks' delay in United Nations discussion of world disarmament appeared almost certain today. A survey of the U.N. Security Council indicated the United States would succeed in postponing the vital question until February 4. In pending for postponement, the council was expected to vote on the American appeal for deferment when it meets at Lake Success tomorrow at 11 a. m. (E.S.T.).

New Military Alliance

London, Jan. 16 (AP)—Great Britain and France have agreed to enter into a new military alliance against any "fresh German menace," according to a German newspaper. The English channel about a new era of diplomatic and economic collaboration by the two wartime allies. Announcement that a treaty of alliance would be concluded "at the earliest possible moment" came from the office of Prime Minister Clement Attlee last night after two days of negotiations with French Premier Leon Blum.

Treasury Receipts

Washington, Jan. 16 (AP)—The position of the treasury January 14: Receipts \$264,341,421.03. Expenditures \$291,925,467.35. Balance \$3,091,363,857.83. Customs receipts for month \$22,524,283.32. Receipts fiscal year July 1 \$19,668,200.798.84. Expenditures fiscal year \$20,177,078,822.98. Excess of expenditures \$508,877,624.02. Total debt \$259,530,553,723.20. Increase over previous day \$103,433,244.23. Gold assets \$20,567,324,442.55.

Ford Price Cut Gives Good Sign

Government Hails Act as 'Encouraging' Start Toward General Price Reductions

Telegram Is Sent

Steelman Tells Ford News Is Good for Entire Country

Washington, Jan. 16 (AP)—Government officials today hailed the cut in Ford car prices as an "encouraging" start toward the general price reductions which President Truman has asked of all industry.

Edwin G. Nourse, chairman of the President's Council of Economic Advisers, termed the Ford action a "crucial" contribution to sustained high production and employment.

Nourse added to a reporter that "a number of business people" have notified him of their "agreement in principle" with the President's plea for lower prices as a means of keeping public purchasing power high. Nourse's council wrote the framework of Mr. Truman's economic message to Congress last week.

"Mr. Ford's statement was made in most careful and reasoned terms—it should appeal to a large business following," said the economist, with reference to yesterday's price-cutting announcement in Detroit by Henry Ford II, president of the Ford Motor Company.

"If other manufacturers follow suit, they will make a real contribution to stabilizing business," Ford announced immediate reductions ranging up to \$50 on all Ford cars, as a "common sense" move to avert the recession which has been widely forecast for this year.

Presidential Assistant John R. Steelman, former reconversion director, promptly wired Ford that the announcement was "good news for the country and I believe good business for your company."

Members of Congress also were quick to applaud.

Senator Myers (D-Pa.), a member of the American Labor Party, promptly wired Ford that the announcement was "good news for the country and I believe good business for your company."

"Automobile prices, like most prices today, are so far beyond the reach of the average worker that, unless industry bends its efforts now to reduce these prices substantially, I am afraid the huge reservoir of purchasing power we expected for our postwar prosperity will be dissipated in the stern problem of just buying barest essentials," Myers said in a statement.

Hopes Suggestion Accepted

"I hope industry will accept the President's suggestion to reduce prices," he said.

Governor Dewey Signs Bill, Kniffin Gets Pen

Governor Thomas E. Dewey yesterday gave high priority and his signature to the Wicks-Wadlin welfare bill which authorized the dissolution of the Kingston City Welfare Department and the creation of the Ulster County Welfare Department. Both bills passed the legislature unanimously Monday night. Senator Arthur H. Wicks, chairman of the Senate Finance Committee and Ulster county Republican chairman, who sponsored the bill, was invited to the Executive Chamber yesterday by Governor Dewey to witness the signing of the statute, and is shown with the chief executive.

At the conclusion of the brief signing ceremony with Senator Wicks, Governor Dewey presented the pen used in signing the combined bill to the senator, who said today it will be presented to Ulster's first Welfare Commissioner, Albert Kniffin, of New Paltz.

Dewey's Program Has Green Light, Observers Declare

Left-Wingers Get Little Consideration, Because Electorate Endorsed Dewey's Issue

By HENRY LEADER

Albany, N. Y., Jan. 16 (AP)—Informed capital sources predicted today Governor Dewey's entire legislative program would be passed and that the Democratic opposition programs would be side-tracked.

These sources expressed belief the lawmakers also would pigeon-hole the program of the American Labor Party and other minority groups allied with the Democrats and defeated by Dewey at the polls last November.

But should public demand for a bill sponsored by any of these groups become pressing it would be easy, these sources observe, for the Dewey administration to sponsor similar measure of its own.

Although the session is barely a week old, the Democrats, the C.I.O., and the American Labor Party have sponsored hundreds of bills in the interests of what they call liberal, progressive government.

An authoritative source predicted these proposals would be killed by senate and assembly committee members, all of which are in firm Republican control.

Based on Campaign Issue

Dewey reportedly is especially determined that measures backed by what he considers left-wing elements be given short shrift. The reasoning behind this is politically elemental and openly recognized by his adversaries. The governor campaigned for re-election on the primary issue of whether his philosophy of government or that advocated by the Democratic-A.L.P.-liberal combine should prevail.

Having crushed the opposition by a record majority, Dewey construed the result as a mandate to continue his first-term course.

Advertisers Cooperate, 'Ads' Will Appear Friday

A number of advertisements, which regularly appear in the Thursday issue of The Freeman, are not included in this issue because of repairs being made to one of the presses. With but one press in operation, the maximum of an edition is 16 pages.

Cooperating in having their ads appear in Friday's issue of The Freeman are two furniture stores, the Union-Fern and the Standard, and also Weisberg's Specialty Shop, Netburn Plumbing Supply Company, New York Telephone Company and Fitzgerald Brewing Company. The United Cut Rate "ad," which was scheduled for today, will appear at a later date.

In limiting this edition, it also was necessary to condense some of the news content and eliminate a few features.

The Freeman expresses its profound appreciation to the advertisers and most respectfully asks the indulgence of our readers.

Authorizes Cut Back Of Expense

Measure Unifies Both Welfare Agencies; Is Under Albert Kniffin as Commissioner

Homes to Remain

City and County Homes Are to Be Maintained for Present

Governor Dewey today signed a bill creating a unified public welfare district for the city of Kingston and Ulster county to be administered by the county.

The act, introduced in the Senate by Arthur H. Wicks, Kingston Republican, dissolved the city welfare district as of December 31 and authorized the county to "charge back" welfare expenses affecting Kingston. The bill was introduced in the Assembly by John Wadlin, of Highland. According to the Associated Press it was the second bill signed by the governor this year. The first bill signed was that appropriating \$25,000,000 for emergency housing for veterans and their families.

U. S. Disapproves of Polish National Election Schedule

B.P.W., Council To Discuss Funds

City Board Asks \$266,000 for Street Repair and Equipment

The Board of Public Works will meet with the Common Council on Monday evening at the city hall to discuss the request of the board for appropriations of \$100,000 for street work during the year and \$166,000 to be used in the purchase of new equipment.

The board's request was taken up at the regular meeting of the Common Council earlier in the year at which time the aldermen requested that the board meet with them to discuss the appropriations.

The date for Monday's meeting was set at the regular monthly meeting of the Public Works Board on Wednesday afternoon at the city hall.

The street lighting committee of the board reported in favor of the installation of a new street light on Thomas street and another light on Madden street. It was said that the Central Hudson Gas & Electric Corp. had informed the board that it would take some time before the lights could be installed as it was impossible to get the necessary equipment at this time.

Alderman Edwin Sammons of the Third Ward sent in a communication read at the meeting to the effect that a new light be installed on Madden street, and also on Florence street. The alderman also called attention to Meade street, asking that the street be repaired in the spring.

The board referred the request for repairs to the street to Superintendent Ernest A. Steuding, and the one regarding street lights to the lighting committee.

Consolidation Needed

The Russians thus appear to be faced with a need to consolidate their position in eastern Europe before the effectiveness of the peace treaties greatly curtails their freedom of operation there.

The issue as seen by officials here is only slightly different in Poland.

The men who will be advising General Marshall on such matters regard the Polish election contest essentially as a struggle between (1) the Communist dominated coalition seeking election as the regular government and (2) the opposition Polish Peasant party which United States diplomats contend could poll a clear majority in a free election.

At the Yalta Big Three conference and again at the Moscow foreign Ministers conference in the summer of 1945 the United States, Britain and Russia agreed to the principle that the Polish election should be free and unfettered. Since that time the American government has wrangled almost constantly with the Polish government, charging repeatedly that the Warsaw regime was not living up to this principle which it had accepted.

But there is no hint as to what they think can be done about it.

31st Year as President

Henry F. Place, veteran Catskill freeman, has just been elected to serve his 31st year as president of Catskill Hose Co. No. 1.

Bus Hearing Today

Adirondack Trailways application for a certificate of public convenience and necessity for temporary operation of an omnibus route between Kingston and Albany was scheduled to be heard by the Public Service Commission at 2 o'clock today in the State Office Building in Albany.

75 Per Cent of Red Cross Service To Armed Forces

March Is Designated as Campaign Period and Goal Is Fixed at \$60,000,000

Washington, D. C.—"Never in time of peace has the American Red Cross been called upon to render such extensive services to the military forces at home and abroad and to veterans as are now required by the armed forces as a military necessity," Basil O'Connor, American Red Cross chairman, said today in announcing plans for the 1947 Red Cross Fund campaign.

Mr. O'Connor designated March 1 to 31 as a campaign period and said the organizations Central Committee had fixed \$60,000,000 as the goal. This financial objective, he explained, was determined following a series of recent conferences with many chapter leaders who reviewed the organization's far-reaching program in this country and abroad.

"The peacetime activities of the American Red Cross are not new, but are imposed upon the organization by its congressional charter and are of the same nature as those rendered by it after World War I with two marked differences," Mr. O'Connor stated. "First there is an American army of occupation in Japan, Korea, Germany, Austria and Italy; and second, there were four times as many American men and women in World War 2 as there were in World War 1. Thus, now the number of wounded and disabled to be cared for in army, navy and veterans' hospitals in this country and the number of able-bodied veterans requiring services from the Red Cross can be thought of in the ratio of four to one as compared with the previous war."

"The result of all this is that 75 per cent of the present activity of the American Red Cross represents services to the armed forces at home and overseas and to veterans in this country."

"Unless radical changes occur in the military situation," the chairman pointed out, "most of the present service to the armed forces and to veterans will have to be continued over the next three or four years at least. These important phases of the organization's broad post-war operations will be diminished as military circumstances permit."

"Already personnel of the national organization, has been reduced from a wartime peak of 25,509 to 11,701 as of November 30," Mr. O'Connor added. "This number will be further reduced to 8,400 during the next fiscal year. As always, the American Red Cross will depend upon its millions of volunteer workers to carry out practically all of its chapter activities in those fields where technicians and other professional personnel are not required."

"In discharging its continuing military responsibilities, the Red Cross believes the most intelligent

approach is to apply surplus funds realized from wartime campaign over subscription toward its budgetary requirements over a period of years, thereby reducing campaign goals to a minimum."

"From cash on hand in chapters and in the national organization," he explained, "\$32,000,000 is being applied toward the 1947-48 needs. This means that while the total activities of the Red Cross

will cost \$92,000,000 during the next fiscal year, by the application of surpluses the amount sought in the approaching drive can be held to \$60,000,000."

300,000 More Farmers
Warsaw—(AP)—Three hundred thousand young people now are receiving professional training in Poland in schools operated under the ministry of education and the ministry of agriculture.

Electric Eye gives Positive Proof..

Soapine

Gets Clothes Really Clean!

Soap tests reveal startling evidence

The amazing Electric Eye, which detects dirt no human eye can see, is now used to measure the cleansing action of soap.

In countless tests of Soapine against other leading brands the Electric Eye proved beyond question that fabrics washed with Soapine were really clean every time. Without exception in every single test—Soapine came out tops!

Soapine is an improved granulated soap made from the finest ingredients obtainable. Every package of Soapine is balance-blended to meet the exacting standard of cleanliness determined by the Electric Eye. It is a proven fact that no other soap of any type or at any price can get clothes cleaner than Soapine.

HOW TEST IS MADE—A piece of soiled fabric is washed with the soap being tested. It is then placed under the Electric Eye which shows, on a sensitive dial, the exact degree of whiteness attained.

"Ask your grocer for Soapine today"

Dirt can't get by the Electric Eye—Dirt can't get by Soapine!

THREE GRAND MEALS EVERY DAY

FROM GRAND UNION HOME-MAKERS SERVICE

MENU TRICKS

Here are some interesting ideas for you to try for something new and different. Surprise the folks with a new taste treat!

Glamour Touches
A touch of watercolor or a hint of parsley adds a colorless casserole into the glory class. Top tomato slices with a swirl of cheese. broil and serve with ½ cup of fish. casserole.

Drop slices of cany bar in custard cups, fill with custard and bake. Children will dig for it.

First winner slice or slices of hard-cooked eggs in bowls of soup. They'll add glamour.

Yeast salads (or) on new flavor, topped with a bit of shredded cheese.

Varied Seasonings for Vegetables
Brush cold-over-browned vegetables with salad oil, dressings, or mustard.

Add a hint of herbs, catsup, or chili sauce to bland vegetables.

Cream cheese and chopped pimento will do wonders for celery or shredded cabbage.

Serve green and leafy vegetables with a lemon juice sauce; a small amount of butter.

Salad Dressing Tips
Blend a little prepared mustard and cream with salt, vinegar and sugar to taste. Use with crisp cabbage or vegetable salads.

Blend a little creamed corn, salt, orange and lemon juice to the consistency of cream and serve with a hot salad.

Peel, pit or slice a ripe avocado. Season with salt, pepper, and a dash of Worcestershire with salt, pepper, and a dash of lemon juice. Serve with sauce and thin with lemon juice. Serve with fruit salads. A medium avocado will yield a scant cup of dressing.

Honey Whip Icing

Heat ½ cup honey over hot water. Pour over stiffly beaten egg white. Add ½ teaspoon salt and beat until thick enough to spread.

Mustard Celery

Cut celery stalks into 1-inch pieces and cook in small amount of boiling, salted water. Melt equal parts margarine or butter to make a sauce. Season with salt, pepper, and a teaspoon of prepared mustard. Add to the drained celery.

Sweet Tricks With Apples and Peas

Core apples for baking, peel halfway down from stem and fill each cavity with 1 tablespoon of sugar or honey, a dash of spice, and a hint of lemon juice and grated rind. Or fill cavities with red jelly, an orange section and nut.

Substitute honey, molasses or syrup for sugar in baking apples or peas. Sweeten to taste.

Fill cavities of a large pear halves (peeled and cored) with mixture of ½ cup chopped or sieved) with mixture of ½ cup chopped raisins, 2 teaspoons cinnamon and 2 tablespoons brown sugar; bake in a shallow pan with small amount of water.

Core unpeeled, red apples and slice into thin discs. Spread "sandwich" using cream cheese or peanut butter and honey for filler. Put two slices together, cut into wedges and use in fruit salad with grapefruit sections and sliced pender.

Radio Pioneer Is Heard by Dinner Club's Members

"Radio is still in its infancy," said Elsie May Gordon, this month's speaker for Kingston National Dinner Club Wednesday evening at the Governor Clinton Hotel. Having been closely associated with many programs in radio work for 25 years, Miss Gordon placed the rigid control of broadcasting companies and sponsors as reasons for her statement. She advocated "opening the air waves for any corner . . . no matter what his message."

Speaking of the material heard in commercials, she gave several of the famous lyrics. "The main idea is to get people talking about the product even if they criticize the advertisement. She also spoke of the simple style maintained for script writing. Her story is largely the story of radio development and with her justly recognized ability to imitate, her talk was most amusing."

Miss Gordon's career started in February, 1922 when she worked on WEAF telling stories of the South. Her first broadcast which she repeated last night was an Uncle Remus tale about "How the Mud Turtle Learned to Fly." She reached her first audience as Graham McNamee and her part as one of the Goldust Twins.

Played Children's Roles
For the first three years, she played all of the children's parts because early studio equipment made the use of real children difficult. Her important child was Sneed,

the stammering adolescent boy in "Pumpkin Corner," one of the earliest radio shows which ran for five years. This was the first show to test its popularity by asking listeners to send for photos of the troupe. In the first week more than 500,000 requests were made and radio as an advertising medium was established. Miss Gordon played several parts in the show so that stand-ins were necessary in the photograph. She was pictured as Bessie Stevens, "mid-western voice," which was natural for she is a native of Indiana.

Miss Gordon spoke several times of Sneed telling of "the public demand to cure Sneed of stammering because the children of the day were beginning to imitate him. During one summer recess the script had Sneed attend a special school. Upon resuming the broad-

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many suffer from nagging backache quickly, once they discover that the real cause of their trouble may be tied kidneys. The kidneys are the chief way of taking the excess acids and waste out of the blood. They help most people pass about a pint a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with a burning and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 60 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

casts, he spoke more slowly. Miss Gordon confessed that she modeled him after a friend of her brother.

Other Characterizations
Other characterizations por-

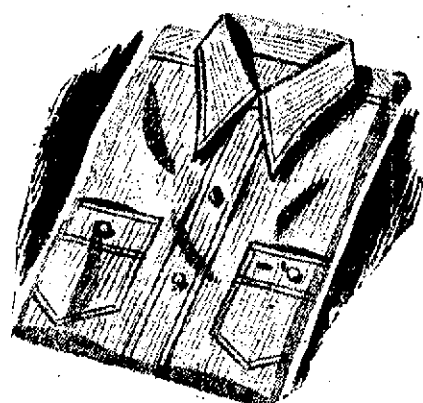

trayed last night were a great grandmother and great grandchild from "Easy Aces," woman character from the Fred Allen show; a south sea jungle bird for "Mr. District Attorney," Irish mad, crying baby, piglet from "Winie, the

Pooh." Miss Gordon interspersed her talk with a number of monologues proving her acting ability as well as voice prowess. Among these were a wife arranging for a 4th wedding anniversary party; wom-

an's club chairman introducing the proposed community project of building a cemetery fence; gum chewing working girl riding home on the subway; and shopper who had her nails manicured with green polish for a trip to Bermuda.

During her speech Miss Gordon explained some of her work in the new medium of television. Her most recent show was Friday night. The speaker was introduced by Harold Clayton, vice president of

the club in the absence of the Rev. Frank L. Gollnick, president. The Rev. Arthur E. Oudemool gave the invocation. The next meeting of the club will be February 11 when Ralph Hancock will be the speaker.

Mine Blast Kills 15 Men, Wrecks Anthracite Colliery

Plymouth, Pa., Jan. 16 (AP)—Fifteen miners were killed and three others injured in an explosion last night that wrecked the anthracite colliery operated by the Glen Alden Coal Co. here, trapping some 22 workers 850 feet below the surface.

Edward Griffith, president and general manager of the coal firm which operates the Nottingham colliery, said the blast was discovered by an unidentified foot tender at the bottom of a mine shaft. The man, noting heavy clouds of dust and smelling gas fumes, sounded an alarm, Griffith reported.

Rescue crews, in constant danger of cave-ins because of weakened shoring, rescued seven men after more than three hours of frantic digging. A short while later, Griffith said, the bodies of the 15 dead men—found grouped in a gangway leading from the shaft—were brought to the surface.

Griffith said the company was unable to ascertain the exact number of night shift men working in the blasted section—located under

the Susquehanna river—but reports from the scene said only 22 men were in the shaft.

The dead, all from Plymouth or nearby communities, were Louis Kupinski, Chester Ostrowski, Carl Zlotok, John Zielinski, Felix Konobroski, Daniel Lewis, Edward Parker, John Wilde, Luis Lofera, Joseph Kujalik, Peter Minkiewicz, Charles Cywik, James Smith, Stanley Mytych and William Backus. Ages of the victims were not available.

Two of those injured—Samuel Reese, 35, and Andrew Ballin, 54, both of Plymouth—were in nearby Wilkes-Barre General Hospital with broken legs and scalp injuries. A third man was treated for bruises on the scene and sent home.

Pennsylvania's worst mine disaster was on Dec. 19, 1907 when 239 were killed at Jacobs Creek. The most recent explosion occurred at Minersville on Sept. 24, 1943 where 24 died.

Jury Acquits Fay Of Tax Evasion

Continued from Page One

up-and-up, yet we find everyone doing business behind bushes. There was not a single instance of anyone acting in the sunlight. Honesty of purpose is not indicated by the financial acrobatics that took place in this case."

Referring to the payments by the two contractors—William F. Brewster, president of the George M. Brewster and Son Company, of Bogota, and John S. MacDonald of the Walsh Construction Co. and The Associated Contractors, Inc., Rosbach said:

"Calling it a shakedown, bribery, extortion or compensation for

something he was giving—in any case the money was taxable."

John W. McGeehan, Jr., chief defense counsel, in his summation said Brewster's story "is the foundation on which the government case was built—on his unsupported word."

Of the \$30,000 which Fay admitted he received from MacDonald, McGeehan said: "It is evident that Fay received no personal income from the transaction and that the money was never Fay's," but that it went to finance a labor war.

He described Fay as an "intermediary" in the transaction and said Fay turned the money over to the Westchester Building and Construction Trades Council.

Synagogue News

Temple Emanuel

Marlborough Firemen Not Called, Wardell Claims

The Marlborough Fire Department was not called to the fire Saturday which destroyed buildings and 1,000 broiler chickens on the farm of Simon Frechette, old Marlborough road, with damage estimated at \$12,000, William Wardell, chairman of the Marlborough Board of Fire Commissioners, is reported as declaring.

Mrs. Frechette is said to have stated that both Newburgh and Marlborough departments were called, but a Newburgh truck, with 100 gallons of water, was the only one responding. She claimed ruin of the property might have

been prevented if more equipment had been sent to the scene. Commissioner Wardell said that telephone company officials in Newburgh had verified the report that no call was sent to the Marlborough department. "We have never refused to assist any community when our equipment has been available," he said.

Anderson Asks Farmers For Record Crops in 1947

Washington, Jan. 16 (AP)—Secretary of Agriculture Anderson today issued final 1947 farm production goals calling for the last time in several years to come—for another year of record output of food and other products.

Anderson recommended planting of 356,883,000 acres, which is 11,712,000 more than was needed last year and about 15,288,000 more than the pre-war average. He asked also for a continued high level of production of livestock and livestock products.

Talmadge Takes Over, Refuses to Admit Arnall

Continued from Page One

tenant Governor M. E. Thompson is sworn in and can take over. "The issues now involved transcend personalities and involve themselves into the question of whether the people of Georgia shall rule and democracy prevail or whether the state will give way to rule by force and barbarism."

Before turning to leave the office after his dramatic statement, Arnall said he would set up temporary offices in the rotunda of the state capitol and at 1400 Candler building in downtown Atlanta where his secretariat force would operate.

During the statement by Arnall, Odum stood attentively and made no effort to interrupt him, but as Arnall pushed his way through the newsmen to leave the room Odum plucked at his sleeve and said "Mr. Arnall."

Arnall paid him no attention and strode from the room directly to an information booth enclosure in the rotunda where he seated himself at a desk.

Earlier, a spokesman had told newsmen Arnall would not be permitted "to enter."

Body of Girl, 17, Found Mutilated Near Los Angeles

Los Angeles, Jan. 16 (AP)—Police were attempting to check today on known sex degenerates in their search for the sadistic slayer of a young girl, probably about 17, whose nude dismembered body was found yesterday in a sparsely populated section of southwest Los Angeles.

The young woman, well formed, with hennaed hair and pink-tinted toenails, had been strangled. She had deep head wounds, savage knife slashes in the back and a deep wound in the abdomen, any of which, police surgeons said, could have been fatal.

The body had been cut and sawed completely in two just above the midsection.

The corpse was discovered about 10:30 a. m. and reported by an unidentified woman who had been driving past. Autopsy surgeons believed she had been killed elsewhere, nine or 10 hours earlier, and the body dumped from a car.

Investigators said the girl was approximately five feet four inches tall, weighed 110 to 120 pounds, had gray blue eyes, neutral colored eyelashes and eyebrows and brown hair which had been tinted red.

Chinese Printers Strike
Shanghai, Jan. 16 (AP)—Chinese typographical employees of the American-owned Shanghai Evening Post & Mercury struck today, returned 92 minutes later to reopen negotiations—then struck again after Editor Randall Gould termed their demands exorbitant.

The employees demanded seven days off in the lunar new year holidays late this month or double wages for each day worked, plus the loan of 300,000 Chinese dollars (about \$100) each for the 80 workers involved. Gould previously had given the staff one month's pay as a New Year's bonus and a month's wages. He promised them one day off, Chinese New Year's day, Jan. 22. He appealed to Mayor K. C. Wu to intervene to avert a shutdown.

DIED
HERZOG, Frederick W., on Wednesday, January 15, 1947, of East Kingston, husband of Zita Herzog, nee Dupepe, father of Rita, Dolores, Barbara, Mary, Carol, Donald, William, Robert and Charles. Funeral services will be held at the home of the deceased, 104 Stephentown, Wednesday afternoon at 2 o'clock. The Rev. Frank L. Gollnick, pastor of the Lutheran Church, officiating. Burial in the family plot in Mountain View Cemetery, Sugarloaf.

WINDRUM—William W. of 12 Tubby street, died at the Kingston Hospital Tuesday, January 14, age 82 years. Funeral services will be held at his late home Friday, 2 p. m. Interment in the Wiltwyck Cemetery.

Attention Officers and Members of Roundout Lodge No. 342, F. and A. M.

All officers and members of Roundout Lodge, No. 342, F. and A. M., are requested to meet at the home of our late brother, William W. Windrum, 12 Tubby street, on Thursday evening, January 16, at 8 o'clock for the purpose of holding Masonic funeral services.

WILLIAM A. MACK, Master.
FRED L. VAN DEUSEN, Secretary.

Memorial
In sad and loving memory of Mrs. Mary Josephine Howard who passed away nine years ago today, January 16, 1938.

Somewhere back of the sunset, Where loveliness never dies, They live in a land With the blue and gold of the skies.

And we, who have known and loved them, Whose passing has brought sad tears, Will cherish their memory always To brighten the drifting years.

Signed
SONS AND DAUGHTERS.

Spring Glen Man Dies of Heart Attack

Louis Schifka of Spring Glen died suddenly of a heart attack while in the Rose & Douglas hardware store in Ellenville this morning at 11 o'clock. Coroner Arthur C. Chipp of Kerkira, and Frank Grope of the Ellenville Police Department investigated the death.

Coroner Chipp said that Mr. Schifka had gone to the store to make some purchases when he was suddenly stricken.

Yerry Arrested On Larceny Charge In Shooting of Fox

The shooting of a red fox valued at \$110, and later selling the carcass for \$150, led to the arrest last night of Raymond Junior Yerry, 20, of 70 Hawkeye street, town of Ulster, at his home by Detectives Wesley Dramer and Clarence Brophy of the Kingston Police Department, and County Investigator Clayton Vredenburg.

The charge lodged against Yerry was that of larceny in the second degree.

This morning in police court Yerry waived examination and was held for grand jury action. Judge Matthew J. Cahill informed Yerry that if he failed to post bail he could apply to a higher court.

According to the information filed against Yerry he is accused of going to the premises of Robert Clearwater at 48 Gay street on January 9, and while there breaking into a coop in the back yard in which Mr. Clearwater had the fox confined.

It is alleged that Yerry, after breaking into the coop, shot and killed the fox, and a few days later sold the carcass and skin for \$150.

Local Death Record

The funeral of Mrs. Jennie Plough, widow of Frank Plough, was held Wednesday afternoon at the parlors of A. Carr & Son on Pearl street. The Rev. Edward V. Winer, pastor of the Albany Avenue Baptist Church, officiating, and burial was in Wiltwyck cemetery.

Frederick W. Herzog died Wednesday. He was a resident of East Kingston, and is survived by his wife, Mrs. Zita Lupepe Herzog, and the following children, Rita, Dolores, Barbara, Mary, Carol, Donald, William, Robert and Charles. Funeral services will be announced.

Funeral services for Mrs. Elizabeth Vorhauer of 18 Hurley avenue were held Wednesday afternoon from the W. N. Conner Funeral Home. The Rev. Arthur E. Dudeney, pastor of the Dutch Church, officiating. Burial was in Wiltwyck cemetery.

Funeral services for Mrs. Lena Miller Roenn, widow of Henry Roenn, who died Saturday, were held at her late home, 104 Stephentown, Wednesday afternoon at 2 o'clock. The Rev. Frank L. Gollnick, pastor of the Lutheran Church, officiating. Burial in the family plot in Mountain View Cemetery, Sugarloaf.

Funeral services for Mrs. Lena Miller Roenn, widow of Henry Roenn, who died Saturday, were held at her late home, 104 Stephentown, Wednesday afternoon at 2 o'clock. The Rev. Frank L. Gollnick, pastor of the Lutheran Church, officiating. Burial in the family plot in Mountain View Cemetery, Sugarloaf.

Abe Kalnitsky, one of the popular patients at the Veterans' administration Hospital, Castle Point, died early Monday morning. Funeral services were conducted by Rabbi Maurice Bloom of Newburgh in the hospital chapel Tuesday and were attended by many of the patients and hospital personnel.

Mr. Kalnitsky was a favorite with many of the hospital group who visit the patients from time to time. A veteran of World War I he had been a patient for a number of years and was noted for his cheerfulness and insistence in sharing any gifts sent to him. Last summer a number of Kingston people sent gifts and cards for his birthday.

The funeral of Albert A. Schussler, a World War I veteran, was held Wednesday afternoon at 2 o'clock from Jensen and Deegan Funeral Home and was largely attended by relatives and friends. The Rev. Robert J. Van Deusen, supply pastor for the Lutheran Church of the Redeemer, conducted the services and spoke highly of the deceased. During the bereavement fund-raising call of the funeral chapel to pay their respects to the members of the family. A large delegation representing the Strand Social Club visited the chapel Monday evening and later attended the funeral services.

There were many beautiful floral pieces. The funeral was held at the Strand Social Club, where William Johnson, Joseph Noble, Harry Weisman and Vincent Van Bramer. Burial was in the family plot in Montrose cemetery where the Rev. Robert Van Deusen conducted the committal services. Military rites were conducted by Kingston Post No. 150, American Legion, of which the deceased was a member. Taps were sounded and a firing squad assisted. The firing squad made up of Wilson Boyce, Harry Giles and Joseph Netherwood, with S. Forte sounding taps. The squad was commanded by John Ray Mayone.

Threatens to Fight
Athens, Jan. 16 (AP)—Sen. Napoleon Zervas, rightist resistance leader who commands 16 parliamentary votes, threatened today to take his followers into the mountains to "fight Communist bands" if a national government is not formed. He said the government

Ford Price Cut Gives Good Sign

Continued from Page One

prices voluntarily and so make it unnecessary for Congress to devise means of bringing prices down by legislation.

The joint committee is charged with translating Mr. Truman's economic report into any legislation it deems wise.

Seldom has the action of a single private firm produced similar action here—a possible sign of the government's anxiety over the possible 1947 "dip" foreseen by the economic council on December 19.

Mr. Truman's economic report cautioned that a "serious" drop in purchasing power already is visible. Unless price and wage adjustments are made in time, it said, there is danger that "consumers' purchasing power will decline, production will drop, and unemployment will grow."

The President's plea that industry meet slower sales by cutting prices instead of curtailing output and laying off workers was the keynote of the entire message. We increase slowly cannot bolster buying power sufficiently, Mr. Truman said, without setting off a new inflationary spiral.

Ford's statement had a similar tone although it conceded that not all companies are in shape to follow his lead.

Prospects Fade for 20 Per Cent Tax Slash

Washington, Jan. 16 (AP)—Prospects are fading in Congress for the Republican bill to cut most income taxes a straight 20 per cent.

But tax cutting in a different way—giving low income groups the biggest saving—seems more likely to pass.

This is indicated today by an informal poll of the House Ways and Means Committee, which writes all tax bills.

Meanwhile, Rep. Grant (R-Ind.) prepared for introduction shortly after noon a Republican-sponsored measure to continue war time excise tax rates indefinitely on such things as liquor, furs, jewelry, luggage and lipstick.

Chairman Knutson (R-Minn.) said the Ways and Means Committee may approve this measure, but he said it is not certain.

500,000,000 in tax revenue annually—at its first meeting tomorrow.

Refreshment and a social hour will follow the meeting.

Prices Show Cracks
(By The Associated Press)
New cracks in the cost-of-living price structure appeared across the nation today, cotton, wheat, butter and some textiles were most vulnerable to the pressure of steadily increasing supplies of essential commodities. Security prices joined in the slide although at a comparatively slow rate. Inspired in part by talk of consumer resistance to some textile prices, cotton futures in New York broke around \$4 a bale under heavy selling.

About the Folks

Irving J. Craver of Green street is a patient at the Kingston Hospital.

Mrs. Bert Winchell of Ashokan returned to her home Tuesday after being a patient at the Benedictine Hospital for three weeks.

of Constantin Tsaldaris, which is to face a stormy session of Parliament tonight, had failed completely in efforts to restore order and that he and his followers would have to side with "people being persecuted and massacred by Communists." The general fought a series of battles with leftist resistance forces during the German occupation in 1943.

Beware Coughs from common colds That Hang On

Cremulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel mucus from the throat and lungs. It soothes and heals raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Cremulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Jansen Is Chosen For New York Schools

New York, Jan. 16 (AP)—The Board of Education's 10-month, country-wide search for an educator to fill the \$25,000 a year, post as superintendent of schools ended today with the selection of Dr. William Jansen, assistant superintendent, who started his career in the school system in 1908 as a substitute teacher.

Dr. Jansen will succeed Dr. John E. Wadsworth, who reached the compulsory retirement age of 70 on August 13. He will assume his duties September 1. The 59-year-old new superintendent was chosen from a list of six candidates recommended by an advisory committee of the board. His salary equals that paid the mayor of New York.

Kingston Trust Elects Directors, Returns Officers

Stockholders of the Kingston Trust Company held their annual meeting Wednesday from 11 until 12 o'clock. At the meeting the following directors were elected:

William H. Van Etten, Alva S. Staples, Holley R. Cantine, Henry J. W. Wieber, David Terry and Fabian L. Russell.

Wednesday afternoon at the directors' meeting the following officers were re-elected:

William H. Van Etten, president; Alva S. Staples, vice-president; Arthur A. Davis, secretary and treasurer; Gordon A. Craig, Ernest LeFevre, Frank Finley and Vernon S. Miller, assistant treasurers; Ellis H. Griffith, trust officer and George F. Kaufman, counsel.

A regular semi-annual dividend of 3 per cent was declared in December and an extra dividend of 1 per cent.

Ulster Educators Salary Committee Frames Requests

The Ulster Educators' salary-inquiry committee and representative school board members and trustees from Highland, Marlborough, New Paltz, Walkkill and rural teachers, all of the second supervisory district of Ulster county, met recently at Marlborough Central School for the purpose of a panel discussion on the teacher-salary problem from the standpoint of local tax rates and increased state aid.

Members of the teacher panel, headed by Miss Anna V. Pustello, social studies teacher at Walkkill, were as follows: Mrs. Janet Bracken of New Paltz who introduced the discussion, stressing the seriousness of the present teacher situation; Miss Rosemary Symes of Highland who presented the dire need of an immediate and permanent increase in teacher salaries; Norman McKnight of New Paltz who presented numerous charts of a survey compiled by this committee on the incomes of the various occupations in the second supervisory district.

In conclusion, Miss Pustello summarized the findings of the committee and presented requests and suggested solutions to this problem that is affecting every citizen of this county.

The requests presented to the members of the school boards and the trustees by Miss Anna V. Pustello, chairman, speaking in behalf of the Ulster Educators were as follows:

1. An immediate cost-of-living adjustment in the salaries, payable this school year.
2. An increased and understandable single-salary schedule for next year.
3. Their cooperation in the passage of the \$2,400 minimum salary through increased state aid.
4. A combined meeting with the government representatives of our district.
5. A reply to these requests sometime within five days after their next school boards' meetings.

The solutions suggested were based on the advisability and possibility of increased state aid or local taxation.

The committee chairman proposed that funds might be obtained for immediate use by transfer of expenditures in the present budget, the postponement of expenditures or borrowing on next year's budget.

The teacher committee requested the boards to contact personally local legislators and also town supervisors to get up petitions in each locality from its citizenry requesting legislators to urge passage of the \$2,400 minimum law and to increase the state aid to all districts.

Other members of the teacher panel were: Miss Martha Benesh, Highland; Miss Mary Maher and Miss Elizabeth Donahue, Walkkill; Richard Lucas and Mrs. Genevieve Boland, New Paltz; and Miss Anna Devine representing rural teachers.

What Congress Is Doing Today

(By The Associated Press)

Senate

In recess until Friday. Judiciary subcommittee resumes hearings on bills to outlaw postal pay suits.

Commerce committee recalls C.A.B. officials in probe of air crashes and other aviation problems.

House

Acts on confirmation of democratic committee assignments.

Redeployment

(By The Associated Press)

The General Muir, with 1,843 service personnel, is scheduled to arrive today at New York from Bremerhaven. The vessel originally was due to dock yesterday.

It is the only troop-carrier scheduled at U. S. ports.

To provide facilities for the busy 578 miles of New York's waterfront, 722 piers are required.

New York Revokes Roosevelt License

Former First Lady May Apply After 30 Days for Reinstatement

Albany, N. Y., Jan. 16 (AP)—New York state has revoked the automobile driving license of Mrs. Eleanor Roosevelt as the result of an accident at Yonkers last August, but the former first lady may apply for reinstatement after 30 days.

Notice of revocation was received by Mrs. Roosevelt yesterday.

Howard P. Miles, deputy commissioner of motor vehicles, said the penalty was the usual one for such cases. He said Mrs. Roosevelt could apply for reinstatement after 30 days but that she would have to pass a drivers' test.

The revocation followed a hearing January 8 at White Plains conducted by William F. Glasheen, chief referee of the motor vehicle department.

Five persons, including Mrs. Roosevelt, were injured in the accident involving three automobiles on the Saw Mill River parkway.

Police said Mrs. Roosevelt reported at the time that she had dozed slightly and that her car crossed over into the opposite lane.

In an affidavit submitted at the hearing, however, she contended the sun was in her eyes.

Erena Car Damaged In Morning Crash; Two Are Injured

Two persons were injured but not seriously, and three automobiles damaged in a three-car collision at the intersection of McEntee and Wurts streets at 6:36 o'clock this morning, according to the police report.

According to the police report, Anthony J. Erena of 73 Pine Grove avenue was driving south on McEntee street, and at the intersection of Wurts street, an auto operated by Michael Sepola of Rutherford, going west on Wurts street, skidded on the ice at the street intersection, and crashed into the Erena car.

At the same time an auto driven south on McEntee street by George Hutter of Route 1, Kingston, skidded on the ice and collided with the rear of the Sepola car.

Daniel Wiegert of 86 Grand street, riding with Erena, suffered an injury to his left leg, and Surphene Matrice of East Rutherford, riding in the Sepola auto, was injured about the head.

The Erena and the Sepola cars were damaged so badly they had to be towed to the Doc Smith Garage. The front end of the Hutter car was damaged.

Damage to the Erena car was to the left side and left front end. Sepola's car had the front end damaged.

Worry of FALSE TEETH

Slipping or Irritating?

Don't be embarrassed by loose false teeth slipping or rubbing when you eat, talk or laugh. Just sprinkle a little **FAST-EARTH** on your plates. This special powder gives a remarkable sense of added comfort and security by holding plates more firmly. No runway, sticky taste or feeling. It's a **slipping (non-acid)**. Get **FAST-EARTH** at any drug store.

Nelson Named President Of Hairdressers Group

At a meeting of the Ulster-Greene County Hairdressers Association, held in Kingston Monday evening, Rudolph Nelson of Saugerties was welcomed president. Other officers named for the year were: Mrs. John A. Martin, Saugerties secretary; Ernest Siciliano, Catskill, treasurer; Mrs. M. Logan, Kingston, 1st vice-president; Mrs. M. Vredenberg, Tannersville, 2d vice president.

There were speeches from the various officers and they were presented with gifts by the organization. An interesting talk on cold waving was a feature of the evening. Many educational features have been arranged for coming meetings.

The annual meeting of the Association will be held February 10, at which time it is hoped to have all members present.

Clean DENTAL PLATES

This Easy Way...

At last, a scientific way to clean dental plates and bridges **EASILY**—without soaking in KLEENITE. Just put your plate in a glass of water. Add a little KLEENITE. With gentle rubbing, discoloration stains and odors vanish—the original clean brightness is restored! It's easy, economical and safe. Ask your dentist for KLEENITE today. Get KLEENITE today at Weber's Pharmacy, United Cut Mail and all good druggists.

Heavy Fighting Reported
Manila, Jan. 16 (AP)—The Viet-Namets radio today reported heavy fighting in the heart of Hanoi, Indo-China, and said Viet-Nam troops were advancing on General Moriere's headquarters in the face of French artillery, tanks and armored cars.

ENDS CONSTIPATION AFTER 30 YEARS

Eating famous cereal daily brought lasting relief

Wouldn't you welcome a way to end constipation, without harsh laxatives? Then read this sincere, unadorned letter:

"I was constipated for thirty years and during that time took many kinds of laxatives. All I got was temporary relief. About five weeks ago I decided to try KELLOGG'S ALL-BRAN for breakfast every morning and after then I haven't had to take a single laxative. I can tell you how glad I am that I heard about ALL-BRAN." Wilson Gibson, 307 West Valley St., Morriston, Ark.

You, too, may never have to take another laxative if you suffer from constipation due to lack of bulk in the diet. Simply eat KELLOGG'S ALL-BRAN every day—and drink plenty of water. Try it for ten days. If not completely satisfied with the results, send the empty carton to the Kellogg Company, Battle Creek, Michigan, and get double your money back!

KELLOGG'S ALL-BRAN is not a purgative but a wholesome food made from the vital outer layers of wheat. For best results eat as a cereal, or in muffins. Get KELLOGG'S ALL-BRAN at your grocer's today.

Denounce Planned Parenthood Group

Federation Considered Unworthy of Support by Catholics; Stand Taken by Church

The following statement has been issued by the Catholic Action Committee, Knights of Columbus, Kingston Council No. 275:

The Planned Parenthood Federation is considered unworthy of support by Catholics, because it recommends processes condemned as immoral by the Catholic Church.

Recent publicity in favor of Planned Parenthood and alleging

"PASS THE SALT" FOR SUPER SAVORY TASTE NEW

social disadvantages resulting from "minority religious opposition" calls for a reaffirmance of Catholic doctrine on this subject. The Catholic Church constitutes this religious opposition, which in Kingston claims the allegiance of somewhat more than a third of the total population.

The Planned Parenthood argument has been advanced by some prominent members of the community. The goal they seek is a healthier human race. No one questions the desirability of this purpose. The methods and means recommended by the Federation however are a violation of God's law. No matter how great the provocation, no matter how seemingly desirable the end, no act in violation of God's law can be countenanced by the Church. Faced with a choice of serving a worldly man and serving God, the Catholic Church insists that man serve God because the service of God is the real and only reason for which man was created.

Many occasions can arise involving a conflict between an apparent good, judged by worldly standards, and man's true destiny according to the teaching of the Church. The Church's opposition to methods recommended by Planned Parenthood is only one instance of the conflict. The murderer sets his desire for revenge above God's commandment "Thou shalt not kill." The liar seeks some temporary object by perverting the purpose for which God gave him power of speech. According to the teaching of the Catholic Church, man can no more tamper with the purposes of the Creator by using the methods advocated by Planned Parenthood, than he can lie or murder.

House Committee Has Big Majority Favoring Changes

Washington, Jan. 16 (AP)—The new House Labor Committee, unlike its Senate equivalent, has a sizeable majority in favor of far-reaching labor law changes.

That became clear today as the membership of the 25-man House group was completed. It plans its first meeting next week.

Headed by Rep. Hartley (R-N.J.), the committee is crowded with men who voted for last year's Case Bill, which was fought bitterly by unions and vetoed by President Truman.

Gone is Rep. Mary Norton (D-N.J.) chairman for the last 10 years. She was left off the committee at her own request.

Gone, too, are several other representatives who in past years have opposed strong measures designed to curb union activities.

These include Rep. Welch (R-Calif.), and such election casualties as Jennings (D-Ill.), (D-W.Va.), Frank Hook (D-Mich.), and Joseph Clark Baldwin (R-N.Y.).

By contrast, the 13-man Senate Labor Committee, headed by Senator Taft (R-Ohio), is not sure of a majority on any of the union regulating bills introduced so far. The membership there includes both Democrats and Republicans whose past votes have tended to reflect the viewpoint of organized labor.

The Senate committee decided yesterday to begin hearings a week from today and consider all proposals between then and March 1.

The House group may not start hearings quite so soon, but its makeup suggests it may finish its work more quickly than the senators and come up with a farther-reaching bill.

Although the two labor committees wield considerable influence, the bills they decide upon will not necessarily become law. That is because either house can virtually rewrite from the floor any measure submitted to it for debate.

Reds Favor Auriel
Paris, Jan. 16 (AP)—The Communists decided today to throw their full weight behind Socialist Vincent Auriel for president of France. And the Popular Republican Movement (M.R.P.) debated whether to withdraw its candidate for the office, thus clearing the way for his election. The Communists adopted a motion saying that they were supporting Auriel, 64-year-old lawyer and one-time newspaperman, because of a desire "to give the election a national union character." M.R.P. sources said "a large majority of the party" favored dropping the "symbolic" candidacy of Auguste Champetier de Ribes, president of the Council of the Republic.

City Industries Being Canvassed For Polio Dimes

It is hoped that every industry in the city of Kingston will be covered this week by the industrial committee for the March of Dimes campaign, Wayne Reynolds, city chairman for the National Foundation for Infantile Paralysis, said this morning.

The industrial committee, composed of Jack Schneider, Mabel Fischer, Thomas Murra, Joseph Murphy and George E. Verry, Jr., who have contacted their respective organizations, are expected to have figures on moneys collected from employees by the end of this week or the beginning of next week.

Shops not in direct contact with this committee may make their own collections and contribute either Wayne Reynolds, or Charles Gaffney, county chairman, phone 62, for further information. Those in the county may get in touch with

Mr. Gaffney or their respective town March of Dimes chairman. The industries always have been large contributors in the fight against infantile paralysis and it is hoped that their figures this year will be double those of last year.

The town of Wavering, which had a large number of polio cases during the 1945 epidemic, is again

active in raising funds. Frank Sinnick has been appointed chairman, with James Shields and Tut-hill McDowell assisting. Due to the distance from Kingston they again will have their own March of Dimes ball this year.

There's Plenty in Socks
New York, Jan. 16 (AP)—There's

plenty of money socked away under the nation's mattresses, in private safes and in sugar bowls, according to the Institute of Life Insurance. A representative of the

institute said yesterday Federal Reserve system data showed \$27,000,000,000, or \$560 a family, in currency is in circulation outside the banking system, four times more than in 1933.

Instruments Studied
By Musical Society

"Idiosyncrasies of the Instru-
ments," was the topic considered
by Musical Society of Kingston
Wednesday night at the home of
Mrs. John MacKinnon, 181 North
Manor avenue. The discussion was
led by Mrs. Anna Newcombe and
Miss Helen Turner.

Mrs. Newcombe spoke of the
problems involved in beginning
the study of wind and brass in-
struments. She described the
methods used to produce good
tone production and the physical
adaptation necessary in choosing
what instrument to study. The in-
struments she discussed and dem-
onstrated were French horn, oboe,
bassoon and clarinet. She played
a clarinet solo, "Romance" from
the slow movement of the Second
Concerto for Clarinet by Von
Weber.

Miss Turner gave a brief talk
on the stringed instruments dis-
cussing various methods of tone
production. Three instruments
were demonstrated: violin, viola
and cello. Following this a trio
composed of Miss Eiko Yoshizaki,
Miss Eva Dunbar and Mrs. Lang-
er played two numbers: First
Movement of Beethoven's String
Trio, opus 3, which was written
by the composer during his late
"teens;" and the last movement
from the Fifth Trio in G Major
by Mozart. The second number

was accompanied by Miss Turner.
Miss Yoshizaki was a guest at
the meeting. She is a student with
Miss Dunbar at Juillard School
of Music, New York.
Hostesses for the meeting were
Mrs. Clarence Woltersteig and
Mrs. Frank L. Gollick. The next
meeting will be January 29 at the
home of Mrs. Mortimer B. Down-
er.

Gladys Kahrs Becomes Bride
Of Ignatius J. Witkowski

Miss Gladys Lillian Kahrs,
daughter of Mr. and Mrs. Russell
Kahrs, 421 Wilbur avenue, became
the bride of Ignatius Joseph Wit-
kowski, son of Mr. and Mrs. Wal-
ter Witkowski, 68 "Bird" avenue,
Sunday at 2 p. m. in the rectory of
the Immaculate Conception
Church. The Rev. Joseph Siczek
officiated.

Escorted by her father, the bride
wore a salmon-colored crepe dress
fashioned with a tulle effect; win-
ter white accessories and corsage
of white roses. Her sister, Mrs.
Anthony Mottey, as matron of
honor wore an aqua wool dress
with black accessories and cor-
sage of tallman roses. Frank
Witkowski was best man for his
brother.

A reception for 100 guests was
held at White Eagle Hall. Mr.
and Mrs. Witkowski left for a
wedding trip to New York city and
upon their return will reside at
421 Wilbur avenue.

The bride attended Girls' High
School, Brooklyn, and has been
employed at the Governor Clinton
Hotel. Mr. Witkowski served in
the army during the war and is
employed at the Governor Clinton
Hotel.

St. Paul's Couples Club
Plans Several Activities

St. Paul's Lutheran Couples
Club met Tuesday evening at the
home of Mr. and Mrs. Paul Trod-
ler, 53 Roosevelt avenue. Robert
Dixon, president, presided and
various committees reported pro-
gress. A card party will be held
in February.

An entertainment by the club
will be given at Mannorchor Hall,
Greenkill avenue after the Easter
season.

Mr. Trodler entertained the
club with novel mechanical de-
vices he had perfected. Refresh-
ments were served at the conclu-
sion of the meeting.

The next meeting will be held
at the church and the Rev. Her-
bert Killander of Trinity Methodist
Church will show moving pictures
of Yellowstone Park.

Card Parties

Ulster Grange

Ulster Grange 969 will hold a
card party in its new hall at Ul-
ster Park Friday evening. Refresh-
ments will be served. The party
is under the direction of the en-
tertainment committee with
Charles Warren, chairman.

Atharhacton Rebekah Lodge
Atharhacton Rebekah Lodge
will hold a public card party
Monday at 8:15 p. m. in Me-
chanics Hall, 14 Henry street.

Girls' Friendly

The card party scheduled by
the Girls' Friendly Society of Holy
Cross Church will be held Mon-
day, February 3, instead of this
coming Monday as previously an-
nounced.

Chiefs Trim Jersey City; Only 28 Points Out of Second Place

Troy Defeats Paterson Twice; Celtics Play Here on Saturday in Vital Game

Only 28 percentage points separated the Kingston Chiefs from second place in the Northern Division of the American Professional Basketball League this morning following their hectic 66 to 60 victory over the Jersey City Atoms Wednesday night at the Jersey City Garden.

Actually, the Chiefs are now in a three-way tie for second place honors with the Jersey City five and Paterson Crescents in the matter of games won and lost. Both Paterson and Jersey City have won eight and lost 13 while the Chiefs have a record of six triumphs and only 11 setbacks.

The two Skooter State quintets have a record of 353, a matter of just 28 points.

Troy scored a 60 to 50 win in a regular scheduled game last night and then made it two in a row by scoring a 66 to 61 victory in a postponed contest. Troy's record is seven triumphs and 13 setbacks for a percentage of .350.

Art Luckheed, former St. Francis star, Big Al Benson and Bill Henry, Kingston's newest acquisition, sparked the Chiefs to last night's important decision over the Jersey City Atoms. A. B. "Turk" Karam reported to The Freeman sports department this morning.

Tickets for Saturday's game

with the Celtics are now on sale at the American Legion Building. Phone reservations may be made by calling 1914.

Standings of the American Professional Basketball League including last night's games:

Play Is Scheduled

St. Petersburg, Fla., Jan. 16 (AP)—Play in the men's doubles was scheduled to begin today in the Annual West Coast Tennis Tournament here. Frank Guernsey of Orlando and Bill Pou of Tampa compose one of the top seeded teams while Jack Tuero of New Orleans and Tom Burke of Rego Beach, N. Y., make up the other favored pair. Seeded entries in the men's singles advanced safely to the quarter-finals in yesterday's play but Guernsey will have to play second and third round matches today to catch up with the field.

Pro Hockey Results

The New York Rangers scored a 4 to 3 victory over the Detroit Red Wings at Madison Square Garden Wednesday night in a regular National Hockey League game. Toronto defeated Montreal, 2-1 and Boston turned back the Chicago Black Hawks, 6 to 3.

Tropical Park Has Successful Meet

Scene Will Shift to Famed Hialeah's Track in Face of Threat

Miami, Fla., Jan. 16 (AP)—Tropical Park ends a successful 40-day meeting today with the running of the second half of the \$30,000 double event and Florida's racing scene shifts to Hialeah in the face of a threatened strike by grooms and exercise boys.

Westminster and Statesman ruled favorites in the field of 11 named for Tropical's closing feature. The former equalled Armed's track record in winning the first half, Statesman will pack up weight of 126 pounds for the event.

A closing day crowd of about 12,000 was anticipated, bringing the total attendance for the meet to about 50,000 more than last season. For the first 39 days attendance was 328,085, compared with 289,989 last year.

Wagering for the first 39 days amounted to \$24,763,107, compared with last season's mutual handle of \$26,273,471.

Meanwhile, President John C. Clark reiterated an earlier declaration that picturesque Hialeah Park would open as planned, while Alfred Kreisler, attorney for the grooms and exercise boys, expressed confidence that 90 per cent of them would strike.

The strike was voted Tuesday night after the track had announced it would discontinue special awards for leading horses to the post and extra awards for winners.

The organization claimed membership of 200 exercise boys and 450 grooms at Hialeah. The Horsemen's Protective Association, which is the Pelican management obtains a replacement to discuss plans to meet the threatened strike.

Kreisler said the track might get by opening day without serious interference but added there would be a decline in the quality of racing because the horses would not be in condition. The regular workers would be left "after the first three or four days."

Dan Chappell, owner of Buzfuz and Lets Dance and counsel for the H.P.A., predicted that no more than 50 per cent of the grooms and exercise boys would strike, and said those who did would be barred for life from all tracks. He repeated an earlier assertion that owners would lead out their own horses if there are not enough grooms to do the job.

Navy Hopes to Play Notre Dame in Midwest

Annapolis, Md., Jan. 16 (AP)—With no communication from Notre Dame on any shift of the Irish-Navy game to New York, the Naval Academy was hoping today that the annual grid clash would take place somewhere in the Midwest.

This view was expressed by Capt. Edmund B. Taylor, navy athletic director, taking cognizance of reports the 1947 tilt might be switched to Yankee Stadium in New York.

Taylor said the site of this year's game hasn't been determined as far as he knows. Notre Dame will be host team.

Asserting that no communications from Notre Dame had been received at the academy regarding the site, Taylor said, "As far as we are concerned, we would prefer that it be played in the middle west."

Cleveland has been the site for the past several years when Notre Dame was the host team.

Saugerties Cagers Win

With Andy Murphy and Buddy Carnright pacing the attack with 22 and 16 points respectively, the Saugerties Legion humbled the Cairo Legion last week by the score of 60 to 27. Saugerties held a 36 to 18 lead at halftime and never were threatened. Swilpa tallied 12 for Cairo.

Ross Is Offered Job

Hollywood, Jan. 16 (AP)—Barney Ross has been offered a job as matchmaker for Frank Sinatra's projected boxing shows, if and when the crooner receives State Athletic Commission approval. A representative of Sinatra's group said Ross' first response was favorable.

Boxing, Wrestling Did Big 1946 Business

New York, Jan. 16 (AP)—Boxing and wrestling did close to an \$8,000,000 business in New York state last year and almost doubled the 1945 tax yield to the state.

The financial report of the State Athletic Commission, released yesterday by Chairman Eddie Egan, revealed that 892 shows during 1946 brought gross receipts of \$7,771,314.55.

The state's share, derived mainly from taxes and license fees, amounted to \$469,243.80.

In 1945, 673 shows throughout the state produced a total of \$245,321.65 for the state coffers. The 1945 gross was \$3,969,213.58.

Emberson to Meet Virgilio Tonight in Po'keepsie Ring

Barney Emberson, popular Kingston bantamweight, meets C. Virgilio of Poughkeepsie tonight in the main five-rounder in the Pioneer Club boxing card at Lincoln Center in Poughkeepsie. Starting time is 9 o'clock.

Virgilio has been established as the favorite to defeat Emberson for the unofficial bantamweight championship of the Hudson Valley. Despite home-town odds, however, Emberson's followers are hopeful for an upset.

Hurth Will Take Lead in Southern Association

Birmingham, Ala., Jan. 16 (AP)—Youthful Charley Hurth, general manager of the New Orleans baseball club, began winding up his affairs with the Pelicans today preparatory to taking over the presidency of the Southern Association.

Hurth, who learned his baseball in the St. Louis Cardinal farm system, said he would resign from the New Orleans club as soon as the Pelican management obtains a replacement.

He succeeds Billy Evans, who resigned recently to become vice president of the Detroit Tigers after heading the class AA loop since December, 1942. Hurth was given a three-year contract a undisclosed terms.

More Switch Hitters

The American League, in 1946, had more switch-hitters—players who bat both right and left—than at any time in several seasons.

There were 17 who swung from either side of the plate, with Dave Philley, promising young Chicago White Sox outfield rookie, coming up with the top batting average for the switch-hitting contingent, Dave compiling a mark of .363 in 17 games.

Ticket Sale Starts For Maroon-N.F.A. Game Next Friday

Advance Sale Opens Here Today for DUSO Tilt at Newburgh; No Tickets at Door

An advanced sale of tickets for next Friday's DUSO League basketball game between Kingston and Newburgh at the latter's court was announced this morning by G. Warren Kias, local athletic director. Mr. Kias' announcement was made after he had been notified by school authorities at Newburgh of the advanced sale.

Under the system set up by Newburgh Free Academy authorities no tickets will be sold at the door next Friday night. Kingston High School has been allotted a certain number of the past-boards and they will go on sale starting today. Fans planning to attend the game are requested to obtain their tickets as soon as possible as they are limited.

Fans outside of the local may acquire the tickets by calling at the school or through K.H.S. Students, Mr. Kias stated.

The advanced sale by Newburgh Free Academy was decided in an effort to avoid the last minute rush for tickets at the door on the night of the game.

Middies Here Friday

Meanwhile, Coach Kias' basketballers were marking time today awaiting the invasion of Coach Mac Wagner's Middletown varsity Friday night at the municipal auditorium in an important DUSO League contest. The Middies are in second place at this writing with Kingston lodged in third only a half game in back.

Ennis Spurns Contract

Philadelphia, Jan. 16 (AP)—Del Ennis, major league baseball's 1946 "rookie of the year," has turned down a \$12,000 Philadelphia Phillies contract—a 120 per cent wage increase over last year—but the star outfielder insists he's not a holdout. The 21-year-old Ennis, though failing to come to terms with the Blue Jay management yesterday, did sign another contract. Cupid, in the person of Lenor Clair, 21, nabbed him as the pair obtained a marriage license at Philadelphia's city hall.

Conn May Be Planning His Ring Comeback

New York, Jan. 16 (AP)—Billy Conn, on his first visit here since his knockout by Heavyweight Champion Joe Louis last June, left some doubt in local ring circles as to whether he plans a comeback.

Asked by newsmen yesterday whether he would fight again, the Pittsburgh pretty boy replied "I have no such intentions."

But Nat Rogers, matchmaker of the Twentieth Century Sporting Club, reported a different story. He quoted Conn as saying in answer to the same question "I haven't made up my mind."

While here on personal business, Conn visited promoter Mike Jacobs, convalescing in a hospital from a cerebral hemorrhage suffered last December 3. Jacobs' condition was reported as "very good," although there is no indication as to when he might leave the hospital.

Harrison Loses 752 Feet of Sewer

People Have Paid Taxes
Since 1913, but, No,
Sewer Ain't So

Harrison, N. Y., Jan. 16 (AP)—Town officials looked up from yellowed documents today, scratched their heads and ruefully admitted it—752 feet of sewer pipe have "disappeared" from under the community's streets.

The sewer has appeared on city maps since 1913 when it reportedly was installed and abutting property owners have been taxed for it all this time.

Some 250 feet of it was supposed to be under Nelson avenue between Crystal and Condit streets and 502 feet under Condit street. And sturdy manhole covers lined the route in tangible evidence of the sewer's existence.

But alas, that's so. The mystery developed when Joseph J. Sica, a contractor of nearby Port Chester, bought a lot 18 months ago on the northwest corner of Nelson avenue and Condit street to build a house. He consulted maps. Yep, they showed sewers running to his corner from two directions. Perfect. He went ahead with the house's construction. He finished the house a few

weeks ago and then his men began excavating for the sewer. The 1913 maps showed it was four feet underground. Workers dug four feet. No sewers. They dug further. Still no sewer. They dug in other places. No luck.

They crawled down a nearby storm sewer manhole. A dummy Sica called on town engineers for help. Basil E. Bradner, superintendent of highways for this Westchester county town, said his investigation showed the manholes had no outlets and that a sewer ended a block away from the Sica lot. Town officials directed town counsel to discuss the matter with the county district attorney. Absence of the sewers was not discovered earlier because Sica was the first person to build a house on lots adjoining the supposed line.

New York's Finance Plan For Airport Is Opposed

New York Jan. 16 (AP)—The Port of New York Authority and a committee representing 17 national and international airlines joined today in opposing an "inadequate and financially unsound" New York city's Airport Authority plan for operation and maintenance of municipal airports. The Airport Authority plan provided that the authority issue about \$80,000,000 of bonds to supplement the \$91,000,000 of city money already invested in La Guardia Field, Idlewild Airport and Floyd Bennett Field.

Hospitalization Plan Will Cost Third More May 1

Associated Hospital Service—New York's Blue Cross Plan will raise subscription charges to its members by about one-third beginning May 1 as the result of a rise in hospital costs amounting to approximately 40 per cent, it was announced today by Louis H. Pink, president. At the same time members will be given an improved contract with greater benefits in private rooms, an increase in the allowance for maternity care from \$60 to \$80, and the inclusion of penicillin and other benefits previously granted as "dividends."

Instead of a daily cash allowance, members who occupy private rooms will be entitled to the service benefits now available in semi-private accommodations. They will be required to pay only the difference between the hospital's charges for the room and an allowance of \$6 a day paid by Associated Hospital Service.

According to Mr. Pink, the granting of service benefits to members who occupy private rooms will be particularly advantageous to persons in the lower income brackets. "Many members in this category," he declared, "are compelled to occupy private rooms for medical reasons or because semi-private accommodations are not available at the time of their hospitalization. When the illness is simple our allowance covers the major part of the bill. But when expensive drugs, use of the operating rooms, and other special services are required the hospital charges are often much more than the member can afford to pay. The new contract will remedy this situation."

Newburgh Will Buy Presbyterian Church

The Newburgh City Council has voted to purchase, for \$25,000, the old Calvary Presbyterian Church building, at Liberty and Farrington streets, Newburgh.

The building has been unused for religious purposes since its congregation merged with that of the former First Presbyterian Church to form the present Calvary Church at South and Grand streets.

City Manager Joseph A. Fogarty said that the ultimate disposal of the building had not been determined, but possible future uses were for a housing development, a new firehouse, or it might be torn down to make room for a new city hall.

members unless we make it possible for them to provide it. "If, in the future costs should decrease creating benefits or we will reduce we will continue our policy of in-rates."

Leaves From Boyle's Notebook

By HAL BOYLE
New York, Jan. 16 (AP)—Dear Horace

You certainly put me in a shooting gallery with your request on how to pick a wife.

The nation's husbands haven't quarreled over this advice I gave you. But the ladies? Wow!

I have got so many letters from outraged damsels that the postman has had to start using an asbestos bag.

I still stand by what I said, but I did overlook one little qualification in helping you choose a perfect partner. I forgot to say:

"Don't marry a woman who can read."

My own bosom choice—now a nine-year veteran—read what I told you in a moment of mental stress on how to select and live with a wife. She acted almost as strangely as the ones who wrote in.

"You giving advice on how to live with a wife—ha ha," he said with a hollow laugh. "You big red apple you."

She was quiet for a minute and then said, "Listen, Fringehead—my hair is getting a little thin at that—I ought to send you back to the A.S.P.C.A."

She thought a little more and remarked, "Well, half a worm is better than none—a remark I don't quite understand yet—and began moving her twin bed into

the living room. When I offered to help her, she got even madder for some reason. The only way I could restore peace was to promise her a gardenia—when the prices go down.

Horace, if you could read all the intemperate letters I have received from abusing ball-and-chain aspirants, I am afraid you would remain a bachelor forever.

"An A. I. Stinker"

Would you believe it my boy, but one apparently unmarried lady in Chicago began her feverish note by flatly asserting that I am an A. I. Stinker.

"So a man wants a woman who shrinks at a bottle," continued this gracious student of character.

"Sure, then they go out and find a blonde who giggles and smirks at a mere snifter."

"You thing! I'll bet you're willing to stand by and let 3,000,000 young women become old maids."

A wife in Munich became so alarmed when her husband suggested he was going to follow my advice that she blew up in a blue flame of poetry.

"The man that wrote this, Should oughta be dead. Guess there's nothing but water In his big fat head."

So I heck with Hal Boyle And his chitter-chatter. If you have your wife's love, Nothing else should matter."

Other girls, Horace, wrote sulphurous remarks of a nature unsuited for one of your tender years. In fact my boy, it seemed as if the ladies did "protest too much."

Doesn't Exist, He Says
On the other hand, a handsome young ex-soldier, Robert Frisch of Milwaukee, was kind enough to say I had "picked the girl that we are all looking for. But Bob added sadly 'I don't believe she exists anymore' (His address girls, is 2203 West Orchard street, and I appreciate ten percent commission for his first paycheck after you lead him to the altar).

This whole business, Horace, has convinced me that someone should help out those 3,000,000 frustrated bachelor girls who don't appear able to pin down a man alone. They need to be told how to catch and hold a husband. But I'll bet ahead of time they'll want to build the wrong kind of cage.

Cold on West Coast
Los Angeles, Jan. 16 (AP)—Temperatures skidded into the mid-twenties today in parts of southern California's rich citrus districts, and growers turned to widespread orchard heating to save crops from damage.

Flashes of Life Sketched in Brief

Nobody Satisfied
Portland Ore., Jan. 16 (AP)—The city's four commissioners "complained" about their pay today—three said the city failed to give them their full \$5,000 annual salary in 1946 and the fourth lamented the "bonus" on his salary. Those underpaid were short only a few cents, but Commissioner Kenneth L. Cooper said the \$5,000.05 he was paid put him in a higher income tax bracket.

Protection
Chicago, Jan. 16 (AP)—A week ago when Mrs. Esther Mitzenmacher went to Florida for a vacation her sister, Mrs. Helen Dawson, and her husband, Sam, moved into her home to guard it against burglars.

Yesterday Mrs. Dawson went to her own home to pick up some clothing. But she discovered that burglars had been there and had stolen clothing and jewelry she valued at \$2,752.

Mrs. Dawson told Atsini police she and her husband were moving back into their own home.

Times Change
Chicago, Jan. 16 (AP)—A gunman walked into a North Sheridan avenue hosiery shop and told Miss Katherine Stratton a "jerk."

"A year ago I'd have taken the nylon," today, I'll take the money."

He then forced Miss Stratton to empty the cash register—took \$18 and fled.

Fast Thinking
Buffalo, N. Y., Jan. 16 (AP)—Holdup victim Hogua Coles used his head when the robber ordered him to call a taxi.

"I called to a police car," Coles told City Judge Harry Zimmerman. "He didn't know the difference."

Roscoe Holden, 21, was charged with first degree robbery in the alleged theft of four dollars and two packs of cigarettes, at gunpoint.

Finnish Christmas Seals
On Display at TB Office

The Ulster County Tuberculosis and Health Association has now on display at its office, 74 John street, two sheets of Finnish Christmas Seals which were forwarded to them by C. R. Newcomb, director of the National Tuberculosis Association, Christmas seal sale.

Mr. Newcomb is the possessor of the entire stock of 1939 and 1940 Finnish Christmas seals. Stamp collectors or anyone interested may see these seals at the tuberculosis office. Contributions received from their sale will be forwarded to the National Tuberculosis Association director who, in turn, will send the gift to the Finnish anti-Tuberculosis Association for these weary people who suffered so much during World War 2.

Advice on Dog License
Advice from City Clerk Raymond McAndrew to owners whose dogs died or were disposed of during the past year is to report it to his office so he can adjust his dog census. When dog owners names

Stevedores' Strike
Ties Up 100 Ships

20,000 Workers Walk Out
of Port of London

London, Jan. 16 (AP)—More than 100 ships were tied up in the port of London today by strike of 20,000 dockers and stevedores. They were idle in protest against use of troops to suppress striking truck drivers, whose 11-day-old work stoppage now involves at least 50,000 men.
All along the Thames ships lay at anchor with their cargoes half unloaded.
In an attempt to settle the truck strike and halt the rapidly spreading wave of sympathy walkouts—only 15,000 truck drivers were involved in the original dispute—government negotiators and union leaders summoned strike leaders to two meetings today.
Because the strike is "unofficial," the Ministry of Labor has specified settlement of the wages and hours dispute cannot be undertaken until the drivers have returned to work.
The truck strikers demand a 44-hour work week instead of 48, and eight-hour day, 11 days annual vacation with pay, half pay during illness and abolition of the cumulative week for overtime purposes.
The first large supply to reach Covent Garden, the city's big vegetable market, arrived today and troops were on hand to deliver them.
Meantime, the situation was critical at Liverpool where more than a million persons are expected to get less than half their meat ration because of a sympathy strike at the Liverpool cattle market.
In Guatemala, the last of coffee blossoms produces fine honey.

Schacht Is Indicted
Stuttgart, Germany, Jan. 16 (AP)—Hjalmar Schacht, Hitler's former financial expert was indicted today by German denazification authorities. The gruff former chief of the German Reichsbank, freed of war crimes charges by the International Military Tribunal could face 10 years imprisonment if convicted by his countrymen of being a major offender—the worst kind of Nazi.

Forsythe Has Bill
To Change Penalty
For Sports Bribery

Albany, N. Y., Jan. 16 (AP)—Maximum prison penalties for persons convicted of conspiring to "fix" a sports contest would be increased from five to 10 years by a bill before the state Legislature.
Assemblyman Clellan S. Forsythe, Onondaga Republican yesterday introduced the measure that also would broaden the anti-bribery laws to cover tampering not only of participants but anyone connected with a contest.
His proposal would increase the minimum prison sentence from one year to five and the maximum from five to 10. The present maximum \$10,000 fine would be unchanged.
Forsythe's bill followed by a day Senator Fred A. Young's call for a legislative investigation of "all phases of amateur and professional sports. The legislative proposals are a sequel to the recent attempt to "rig" the New York Giants-Chicago Bears professional football title game.
